While much of the emphasis today has been on energy drinks, sugar-free VE2 Energy Gum is ushering in a new trend that is less expensive, more portable, has less calories and provides the same effects as an energy drink – but without having to find the nearest bathroom when finished. Peppermint-tasting and crammed with energy-sustaining ingredients like vitamins B6 and B12, niacin, ginseng and guarana, VE2 delivers increased alertness, endurance and reaction time without the “crash” feeling that typically comes with other energy products. SRP is \$1.69 for a 10-piece pack. To order contact Andres Sasson, VE2 Energy Gum, at 954-263-6266 or vasasson@ve2energy.com.
